

Dear customer,

Because of the coronavirus situation, Viet Nam has suspended visa exemption 15 days to citizens of EU countries including Finland. Therefore you need to apply for a visa if you would want to travel to Viet Nam. Please read the following guidelines and make your own decision.

**1. You're required to provide**

Scan of passport

- Fill visa application form (attached below)
- Full schedule in Viet Nam, number of flights (international and domestic flights), -
- Accommodations (address, contact).
- Name and contact point in Viet Nam

For Example:

Anna Lakkonen: date of immigration: 12/03/2020, date of exit: 21/03/2020

**Please write in words all above-mentioned information (WE DO NOT NEED YOUR INFO BY IMAGES/PDF).**

WE will help you to get the Visa/Visa upon arrival but we do not make sure the visa results can arrive on time you need and it may take time. Please be reminded that you should accept all unexpected changes or methods issued by Vietnamese authorities at the airport. You might be deported or quarantined for 14 days if authorities find your health unusual.

**2. From 00h00 07 March 2020 Viet Nam applies the mandatory medical declaration vis-a-vis travelers to Viet Nam coming from the following countries: Cambodia, United Kingdom, Belgium, Denmark, Germany, Estonia, Finland, France, Greece, Iceland, Italia, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Holland, Norway, Poland, Portugal, Sweden, Switzerland, Slovakia, Slovenia, Spain, Czech and Hungary.**

MEDICAL DECLARATION FORM could be downloaded via the link <https://tokhaiyte.vn/>

**3. Please make sure you did not travel to Italia, China, South Korea, Japan, Iran, Cambodia, Germany, UK before.**
